

## You'll Be Happy Here

By Christopher Urena

Description: A lonely old woman entertains an unexpected house guest with a story that sucks him in...and keeps him there.

### Characters:

#### Gladys

60s. A petite but virile older woman. Bright and energetic, her cheery demeanor reflects an enthusiasm for human interaction, while also acting a veneer for something much darker.

#### David

30s. Handsome young Yuppie type. Just traveling through, wants nothing to do with the place or the woman, but is friendly enough, and susceptible enough to flattery, to eat up the attention and stay (far) longer than he expects.

### Setting:

Present Day. Interior of Gladys's living room.

### Props:

Shelves with dolls, tea cups, hammer, rocking chair/loveseat.
