THE ORGANIZATION

NHMC is a 35 year old nonprofit 501(c)(3) civil rights organization that was founded to eliminate hate, discrimination, and racism towards Latinx and marginalized communities.

We educate and increase visibility of Latinx from our policy work in Washington D.C. to our media advocacy work in Hollywood where we collaborate, create, and connect Latinx talent with the entertainment industry. At NHMC we focus on all forms of media because of its powerful effect on the attitudes, values, and beliefs of society.

NHMC collaborates with other social justice organizations to eliminate online hate and hold online platforms accountable for their content. We advocate for the Lifeline Program, Net Neutrality protections, and also work in closing the digital divide for Latino and other marginalized communities. NHMC works in partnership with other civil rights organizations to safeguard democracy in the United States of America.
